Hi Rick,

Please see Liza Trossbach's email beneath Yvette's in the thread below. Couple of questions:

First, are you supportive of Liza's topics and the order of the list?

I just wanted to let you know what's happening in case this is an issue.

Thank you,
Shannon

Subject: Leadership Meeting - Prioritized List of Topics

While each of the issues below are important to pesticide regulatory officials, given the limited time for the Leadership Meeting, we suggest the following order of topics for discussion:

- Revised State Certification Plans - concerns regarding completion by March 4, 2020; and status of post PREP resources identified as needed;
- Hemp - designation as a raw agricultural commodity (assuming
- EPA's re-evaluation of 24c process;

- Biostimulants;
- Long Term Strategic Plan for Label Improvement - Voluntary Guidance to Improve Compliance and Understanding;
- Neonics - Voluntary Cancellation
- Dicamba;
- Cooperative Agreement Guidance and workload renegotiation;and
- Status of Section 24c Guidance (submitted January 2019).

Also, I have received confirmation that OECA's Royan Teter, Greg Sullivan and Martha Segall will also attend the Leadership Meeting.

Thank you.
